

Sininen Meteoritti

- your partner in web development and information worker solutions

Sininen Meteoritti - Blue Meteorite Ltd

We design, plan and build web solutions that support your business and serve the end-user in a practical and user-friendly way.

We are a growing, employee-owned Finnish company. Since the year 2001, we have been a pioneer in utilizing the latest Microsoft technologies. As a Microsoft Gold Certified Partner, expertise focuses specifically on Microsoft .NET and SharePoint technologies.

Sininen Meteoritti aims to be the leading specialist in Microsoft SharePoint-related technologies in Finland.

- Our consulting services help to clarify your business needs and the needs of the end-user.
- Our technical expertise harnesses the potential of the Sharepoint platform even further.
- Our product development builds modules that make SharePoint more versatile, flexible and user-friendly.

Partnership with Sininen Meteoritti helps you get better value for your investment in the new technology.

We deliver

- consulting services
- implementation projects
- support services
